

## Message from the President

The summer season is winding down, but there is still plenty of time to enjoy the Club before school starts. MCC has had a fantastic summer season and we are going to carry it over into the fall! We have had great participation by our members this season and look forward to increased participation in the autumn. Further, in the last few months there has been some misconduct by both members and guests. The Board of Directors and the club manager have addressed corrective actions. Reminder, members are liable for the actions of their guests. Finally, if any member has a complaint please bring it to the attention of Stephen Fox, the club manager, or one of the Board of Directors.

## **Men's Golf**

We had a great turnout for the Italian Open. Thank you to all of those who participated and made it a great weekend. The course was in phenomenal shape and the staff did a fantastic job with dinner on Saturday night. If you have not played in this event, I would highly recommend signing up for next year!

A tournament to be aware of during August will be Sunday, August 25<sup>th</sup>. Nix Chevrolet is hosting a four-person scramble that will kick off first thing in the morning.

The annual Club Championship will be September 7<sup>th</sup> and 8<sup>th</sup>.

The annual Bar Tournament will be held September 13, 14 and 15. This is a three-person scramble. We will start the weekend with practice rounds followed by an individual horse race. This is another great event. Be sure to sign up in the pro shop.

## **Pro Shop**

The July weather and rounds of golf were outstanding. Hopefully, we can enjoy continued mild temperatures throughout August.

August is the beginning of the 2019 Match Play Championship. The 32-player double elimination bracket is set. Good luck to all the entries!

The Ladies Golf continues to thrive. It's encouraging to see so many new golfers participating. The ladies will continue to play on Thursday evenings at 6 PM. If you know of any Ladies interested in Golf, please bring them as a guest for one of the nights.

Several golfers are inquiring about the next Glow Golf event. We are looking at a couple Saturday evenings in October. Stay tuned for the exact date.

Club Championship – September 7<sup>th</sup> & 8<sup>th</sup>

Bar Tournament – September 14<sup>th</sup> & 15<sup>th</sup>

## From The Green

The greens are performing well and with continued verticutting and topdressing will get better and better. We will begin raising the height toward the end of September to prepare them for winter.

The rest of the course is in good condition. We have had an excellent year so far with the tees, fairways, and roughs. Some areas are off color due to the dry conditions we are finally having but even just a little rainfall can change that.

We have been post treating weeds so you may notice some areas' turning off color this is only temporary. This process is necessary to continue eradicating our weed population.

We in golf maintenance are continuing to try and improve the course every day. We appreciate all the positive comments we have been receiving. As always I am available if there are any questions.

## Pool News

Thanks to all who helped make your annual Fourth of July Swim Meet a time to remember! A good time was had by all! We enjoyed the Pledge of Allegiance, singing the Star Spangled Banner And watching the contestants march around the pool waving flags to I'm Proud to Be an American! We awarded 30 medals to the racers and 47 trophies for diving. We concluded with an inner tube relay and an apple bob in the pool.

Our thanks go to lifeguards Austin Vilar and Lauren Glasco as they will be leaving for college soon.

We hope to keep the pool open regular hours thru Labor Day weekend.

Your summer swimming days are dwindling down....better take advantage of your Pool with a View!
