

Message from the President

Autumn has arrived! Come out to the Club and take advantage of the cooler temperatures. The Board of Directors has implemented some new changes to dining and the social membership in an effort to boost the Club's revenue. Please help us spread the word about the new social membership price. One hundred dollars plus tax permits a social member to all club privileges except golf. Social membership privileges include: pool, bar, lounge, dining, tennis, and pickleball. Finally, remind your family, friends, and co-workers that lunch dining is now open to the public on Wednesday, Thursday, and Sunday.

**Club President
Paul Northcutt**

Hours of Operations

Office

Tuesday-Friday 9:00am to 5:00pm

from your bank account please contact the office. We
would be happy to help you.**

Men's Golf

Well we wrapped up the tournament season with the Bar Tournament. Thank you everyone who played or helped out with the Bar Tournament. This tournament was a great event and very well attended. Our staff did a tremendous job!

Be on the lookout for the Fireball Open this month!

**Cameron Green
Tournament and Promotions**

Pro Shop

Please work with us during this transition in the Pro Shop. The Club will be taking possession of the shop on October 21st moving forward. There will be some inconveniences I'm sure during this process. Please be patient and allow everything to be put in place.

Women's Golf

We are still playing every Thursday at 6:00! As long as the weather cooperates and we have daylight let's keep at it!

Have a blessed day!

Janet Derichweiler

From The Green

The greens have been raised to a height of .130 and will be raised to .160 before cold weather is here. We will continue to fertilize them into November to provide essential nutrients for winter.

The grass will basically stop growing with the oncoming cool nighttime temperatures. We will still mow a few areas as needed but most will only receive a few more mowing's.

We have been repairing leaks throughout the course; this is and will be an ongoing task. The age of the piping is starting to really cause issues. We will have continued repairs of leaks for the foreseeable future.

We will be trimming trees and working on drains throughout the winter. We will also be patching some more of the cart path areas that need it, if funds allow.

Thank you all for the compliments on the course and to the staff about the conditions of the course. Don't hesitate to ask me any questions when I'm out on course if you have them.

Stephen Fox

Managers News

Fall is upon us here at MCC and changes are in the air. Our new Social Membership rate of \$100.00 + tax is generating some buzz. Also the public dining options on Wednesday, Thursday, and Sunday seem to have people interested in coming out to the club. Members will still have preferred seating on the carpet or in the bar if you prefer.

Along with these 2 changes you will notice some changes in the menu starting in October for both Lunch and Dinner. Some items have been removed, some added, some slight price changes up and down. We are trying to create a menu that will give us the ability to have less waste, therefore helping to better control our cost. Also please order off the set menu or the offered special, the staff has been instructed to no longer prepare items that are not featured on the club menu.

At the September Board Meeting it was decided to open a few dedicated accounts for areas of the club. These accounts will be only for the specific area that it's designated for funding. The 1st account to be setup will be for Golf Cart Trails, we will then follow with accounts for Tennis Courts, Pickleball, Pool, Bar, General Golf Course Items, etc. Any money donated by a member or outside source for any of these specific purposes will be placed in these accounts and only used for improvements in that area.

These changes have become necessary to help increase revenue here at the club. Dues alone are not sufficient to support the club. The level of participation we currently are experiencing also isn't sufficient. With that being said we must find additional ways to supplement the revenue stream here at the club.

Please note the following October Events:

October 4th	Boys & Girls Club Golf Tournament 1:00 PM Shotgun Start
October 25th	Oktoberfest German Buffet
October 26th	Breakfast and Fireball Golf Tournament
November 2nd	Beta Iota Charity Golf Tournament
